## Paraffin Wax for Wicks

### Paraffin Wax for Wicks

Wick waxes increase the rigidity of wicks and improve the burning properties of candles. Furthermore, the slip properties of the wick aid high speed production. Sasol Wax offers various wick waxes with special properties, which are suitable for use under different climatic conditions, and on different machines.

We would be pleased to assist you with regard to your individual requirements.

Product	Congealing Point (°C)	Viscosity	Needle Penetration
DIN ISO 2207			
ASTM D 938			
DIN ISO 51562			
ASTM D 445			
DIN ISO 51579
