Scenti Masterbatch Fragrance Assortments:

- **Top-Ten** The 10 most popular and best-selling fragrances reflect the current trend in the candle fragrance market.
- **Basics** 20 powerful fragrances with a particularly favourable price-performance ratio for the candle basic equipment.
- **Wellness, Fine Fragrances** Sophisticated compositions, similar to well-known fine fragrances.
- **Wellness, Exotic** Very trendy sparkling fresh fruit aromas with an exotic charisma.
- **Wellness, Christmas** A mixed and colourful Christmas plate with fragrances like gingerbread, candied fruits and fir cones.
- **Wellness, Aromachology** Relaxing and well-being with selected, pampering fragrances.
- **Seasons, Spring** Fresh and vitalising fragrances with delicate flowers, young green and watery accents.
- **Seasons, Summer** Sweet, aromatic fruits and luxuriant flower notes embody the abundance of summery nature.
- **Seasons, Autumn** The autumn fragrances combine ripe fruits and spicy, balsamic components, which evoke the feeling of comfort and warmth at the beginning of the cold season.
- **Seasons, Winter** The winter fragrances create a cosy atmosphere reminding of spiced fruits, fir tree, forest and snow.
